

HADRIANS BARN
YOUR STAY & FOOD MENU

————— *The Art of Meeting High Expectations* —————

WELCOME

Hadrians barn is a unique and friendly place to stay just five minutes from the Hadrian wall path and a ten minute walk from Heddon on the wall village

Our guest can enjoy our beautiful gardens and thoughtfully designed outdoor space that encourages guests who just want to kick back and relax after a hard day's walk.

We offer evening meals that can be taken outside on our terrace dining table under the vintage festoon lighting or if preferred inside at your own private dinning space. Or on your own private terrace.

We offer a small but varied menu of freshly prepared international home cooked high quality food

Please email us with your order at least 7 days prior to your arrival date.

Our New Way Forward

These guidelines have been put in place to make sure all our guests are safe and at their ease whilst staying with us at Hadrians Barn.

We want to ensure that all our guests have a pleasant and comfortable stay, and to provide an outline of what to expect when staying with us.

Your Arrival

We are asking guests to message us just before they arrive to let us know their time of arrival so that we can direct them to us and safely to their accommodation. Also this will allow us to answer any questions guests may have and also if they have ordered dinner, to let us know what time they would like to have food delivered to their accommodation.

We are asking guests to use SMS messaging while they are staying with us. This will mean we can answer any queries and therefore provide anything they need. However, we are also around to speak too if a guest wishes a more personal contact (albeit at a safe distance).

Payments

If Guests need to make a payment we require that this is done at check in
We accept Payments by Cash or by (BACs) online Bank transfer via internet banking
